This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

PROVINCIAL PAPERS:

PROPRIETARY TAX LISTS

OF THE

COUNTY OF CHESTER

FOR THE YEARS

1765, 1766, 1767, 1768, 1769, 1771.

EDITED BY

WILLIAM HENRY EGLE, M. D.

WM. STANLEY RAY,
STATE PRINTER OF PENNSYLVANIA.
1897.

[illegible]

PREFATORY NOTE.

The present volume comprises such of the Proprietary Tax Lists as have been preserved relating to the County of Chester. Other lists, with the assessments of other counties during the period of the Revolution, will follow. Similar lists were at one time in the possession of the State, but are not now to be found. For this reason—their permanent preservation—it has been deemed proper to publish them in the current series of Archives. To the historian, biographer and genealogist, they will be invaluable, and while not of as great interest to the general reader, yet perchance, the elucidation of much that pertain to the early history of the Province and Commonwealth of Pennsylvania, these, too, may "point a moral, or adorn a tale." No attempt has been made to change the orthography as will be seen not only in the names of townships but in the surnames of individuals. An editor should not attempt to modify either. In the publication of records strict adherence to capitalization, to phraseology and orthography must be maintained, and this should be borne in mind by the general reader in perusing these valuable lists of the early settlers of our State.

Likewise the Honourable the Proprietaries tax on the Taxables in this County, this year we find to be the Sum of £47:16:9 Currency.

Atho the above tax is Considerably more than Usual, Yet it is Not more than the Law Requires, as the Sterling Quit Rents Reserved was Rated only at Currency, Which at the Lowest Exchange that the Receiver Gen'l will take, Viz, £50 p. ct., it will amount to the above Sum.

JNO. FLEMING,
THO'S TAYLOR,
SAM'L MILLER,
ANT'Y WAYNE,
THO'S LEVIS.

Examined and Allowed by us, the Commissioners,

JOHN WEBSTER,
JOSHUA EVANS,
JESSE BONSALL.

I Certifie the above to be a True Copy Compared With and Drawn from the Originall,

JAM'S MARSHALL,
Cl'k to the Commissioners.

BOOKS ARE LENT FOR TWO WEEKS

Fine of 10c for each Day after the Date

DUE	DUE
~~1965~~	
~~NOV 1965~~	
3/6/82	

THE MICHIE CO

Usually books are lent for two weeks, but there are exceptions, and all loans expire on the date stamped in the book. If not returned then the borrower is fined ten cents a volume for each day overdue. Books must be presented at the desk for renewal.
